

Nampa Model Aviators December Meeting – December 8, 2011

- The December, 2011 meeting was called to order at 7:05 P.M. by club president Jack Read. There were 18 members present.

MOTION: A motion made seconded and unanimously approved to approve the November 2011 minutes.

President's Report:

- The primary purpose for the December meeting was an informal holiday gathering. Prior that there was a short discussion regarding the scheduling of club events for the 2012 season. We will start with a Polar Bear Fly-In on New Years Day, followed by a swap meet in February. We will host another Fun Fly-In in June, followed by a Public Day in July and finally the Warbirds Event in early September. Another holiday gathering will be held in December 2012. We will also have meetings with Bar-B-Q throughout the summer and plan to again hold several night fly events.

MOTION: A motion made seconded and unanimously approved to approve the activity schedule for 2012.

At the conclusion of the motion vote the formal meeting was adjourned.

The members in attendance were treated to Pizza, sodas and some light desserts.

Following the Pizza party the members conducted our first annual pick-a-gift drawing. Each member brought in something from their model stuff valued at approximately \$10.00. Members drew numbers to determine the order of the drawing. The person who drew number 1 got to pick an item from the table. Number 2 could either pick an item from the table or take the item that number 1 had previously drawn. Once an item was taken 3 times it was considered to be "dead" and could not be taken by another participant. This continued until all 18 people had drawn a gift.

Footnote: Several of the items brought in were extremely nice, including a complete electric airplane, a nitro engine that had never been taken from the box. A couple of ready to build kits, new servos etc. Most items brought were valued at a lot more than \$10.00 which made the event even more of a hit. Everyone got something and everyone had a great time.

We plan to do this every holiday season. At the conclusion of the drawing the members spent the rest of the evening sharing war stories.

Respectfully Submitted:

Ron Landram, Secretary, Nampa Model Aviators

Approved:

Jack Read, President, Nampa Model Aviators
