

## Nampa Model Aviators January 2011 Meeting Minutes

The meeting was called to order by NMA President Jack Read on January 13, 2011 at 7:15 PM. Coffee, sodas and doughnuts were served to the members. There were 12 members attending.

**Presidents Report:** Jack welcomed the members in attendance and reminded everyone of the upcoming swap meet to be held February 12, starting at 8:00 am. The swap meet will be held at the facility two doors south of *Hobbytown USA* in Boise. All clubs, modelers and the public are invited and there is no charge for setting up a table. Anyone wishing to participate is reminded to bring their own tables and chairs.

Jack reminded the members to be sure and pay their annual AMA dues. The club roster is checked and updated weekly. Members were cautioned not to fly at the club field until AMA dues are paid.

**Old Business:** There were no open/old business agenda items to review or discuss.

**New Business:** There was a short discussion regarding the recent "Polar Bear" fly-in at Ontario. The event was enjoyed by those in attendance, despite the near zero temperatures.

The monthly raffle was held and Larry Bresson had the winning ticket. Special thanks to *Hobby Town U.S.A.* for contributing the \$20.00 gift certificate.

Jack brought his newly completed *Northstar* float plane to show the members and Larry Bresson brought his very nice twin electric powered O-2A *Skymaster* Vietnam era FAC.

Jack offered a motion to adjourn the meeting at 8:00 PM, the motion was seconded and the meeting was adjourned.
