

## Nampa Model Aviators November Meeting – November 10, 2011

- The November, 2011 meeting was called to order at 7:05 P.M. by club president Jack Read. There were 12 members present.

**MOTION: A motion made seconded and unanimously approved to approve the October 2011 minutes.**

### **President's Report:**

- Jack welcomed the members in attendance and invited the attendees to take some free RC stickers generously crafted and printed by Larry Bresson.

**TREASURERS REPORT:** There was no Treasurers report this month.

### **OLD BUSINESS:**

- Jack Read let the members know that all watering is done for the season and that the sprinkler blowouts have been completed.
- Jack said that the Bonanza model will go on consignment at Hobby Town U.S.A. in Boise within a few days.
- The lawnmower and grass catcher will be offered for sale in the spring. If anyone knows someone (perhaps their landscape company) please let them know.

**NAMPA STORM WATER ASSESMENT:** We are awaiting final approval of our new lease by the Nampa City Council. We expect that to be completed at their next meeting.

### **NEW BUSINESS:**

- We have received several requests for club jacks so Jack is going to offer them for sale very soon. He expects the price to be approximately \$36.00. Jack will send out a club wide E Mail as soon as he gets the price from the supplier. Let him know if you want one, as well as the size and color.
- A suggestion was made to have some kind of a Holiday gathering for the members. After some discussion it was agreed to have a pizza feast at the NNU Center on December 8 next. Jack will send out an E Mail with the details. If you want to participate please let him know in advance so we can get the pizzas. Also we will be having a gift drawing. Each person attending is asked to bring something from their RC parts box, tools, parts etc. valued at around \$10.00 to put into the grab bag. It should be fun.
- Another discussion was held to hold our own Polar Bear fly-in on New Years Day. This will be held at the field and will feature, flying, cool temperatures and hot chili, maybe even some snow to cool the chili. Sam Koloen will have plenty of lighter fluid for the nitro and gas flyers.
- The monthly drawing was for a new (in the box) Turnigy 35-36 motor donated by Larry Bresson; Dennis Kirouac had the winning ticket. Thank you Larry for your generous donation.

The meeting was adjourned at 8:00 p.m.

The next meeting will be the pizza party at the NNU Wiley learning center at **6:00 P.M. (Note the time has been moved up)**.

Respectfully Submitted:

Ron Landram, Secretary, Nampa Model Aviators
