

Nampa Model Aviators Presents

Jets And Breakfast

Nampa Model Aviators is pleased to announce their first annual *JETS AND BREAKFAST* Electric Ducted Fan Jet rally.

Bring your EDF Jets and enjoy breakfast and flying at the Nampa Model Aviators field on Ridgecrest Drive in Nampa. This event is centered on flying jets or showing your jets just for fun. We will also have a speed run for those who want to give it a try. We will have awards for pilot's favorite and the speed run for both 70mm and 90mm jets.

Where: Nampa Model Aviators Flying Site, in the center of Ridgecrest Golf Course in Nampa Idaho.

When: August 10, 2013, from 7:00 A.M. to Noon (when its cool).

There are no participation fees other than bring a breakfast item (eggs, pancake batter, bacon, ham, sausage etc.) to cook up for a great pot luck. Coffee and juice will be available.

PLEASE NOTE: Due to our field size and location flying is limited to electric ducted fan jets 90mm or smaller. No turbine or large electric jets please.

AMA membership is required to fly.

Visitors and spectators always welcome.
