

## **Nampa Model Aviators Meeting – May 8, 2014**

### **Presidents Report:**

- Following a burgers n dogs Barbeque prepared by Chef Jack Read, NMA President, Mike Nipp opened the meeting at 7:00 PM, there were 22 members present. Mike introduced new member Tom Starr and returning member John Green.

**MOTION: A motion made, seconded and unanimously voted to approve the April, 2014 minutes as provided by E-mail.**

### **Treasurers Report:**

- Mike Nipp presented the treasurers report for this month. Mike gave the members a summary of our accounts. All bills are paid and current.

### **Safety Report:**

- Safety Officer Rob Epley provided the safety report. He commented that he had seen no issues and everyone seemed to be flying in a safe manner.
- Mike Nipp reminded the members to **PLEASE REFRAIN FROM POURING FUEL ONTO THE GRASS.** Someone had done that and now we have two rather large dead spots on the grass. Also, if you have a fuel airplane with downward exhaust please use the steel plates provided to protect the grass.

### **Old Business:**

- The weather station is up and running. Mike Nipp sent the computer link to all members and the link is also posted on the web site. Members can now check the wind conditions prior to going to the field.
- Mike commented on the Emmett fly in. Several members put on demo flights for the attendees. The event went well.
- The members were reminded that if they have a plane or equipment to sell they need only contact Mike Nipp to put it into the "for sale" page on the web site.

### **New Business:**

- Everyone wished long time member Bob Wilhelm a happy birthday. Bob turned 39 today.
- Dennis Kirouac has continued to upgrade the sprinkler system and Mike Nipp completed a fertilizer spraying of the field. These members have been working very hard to make the field nice. Thanks guys.
- Mark Bell, Jack Read and Dennis Kirouac recently met with Nampa Mayor Bob Henry. They told the Mayor about the club and how we support the community. The Mayor expressed his thanks and assured us that he fully supported Nampa Model Aviators.
- The fun fly is scheduled for June 14. Mark Bell has stepped up to manage the event. We will need volunteers to help with sign ups, safety observers and to

help with the lunch. Please let Mark know if you are willing to help. Without the members pitching in we cannot put the events on.

The meeting was adjourned by motion at 7:50

Respectfully submitted by:  
Ron Landram, Secretary

Approved by:  
Mike Nipp, President
