

Nampa Model Aviators Meeting – March, 2015

Presidents Report:

- NMA Vice President, Dennis Kirouac opened the March 2015 meeting at 7:00 PM, there were 18 members present.
- Dennis introduced new member, Chalis Hollibaugh, to the attendees.

Treasurers Report:

1. Dennis presented the treasurers report for this month with summaries of both the checking and savings accounts.

Safety Report:

- Safety Officer Bruce Chandler gave his report. There were no reports of safety problems or incidents since the last meeting.

Old Business:

- Dennis said that he and Mike Nipp are asking for bids to handle the grass mowing for this year. It has been a difficult process to find a mowing companies that are willing to take on our area, preferring to do residential work instead. We should have something firm by the April meeting.

New Business:

- Mike Nipp was contacted by the Willow Park assisted living center and they asked if one or more of our members would be willing to stop by and talk modeling with one of their residents, an elderly gentleman, who used to build and fly models.
- There will be a flying site work party on April 4th. We need to do some work on the field and to remove the winter tarps from the patio. Members are asked to be there at 9:00 in the morning. Other work will include weed control, rolling the grass runway and some sprinkler system.
- Members asked about summer "slow" pylon racing. Pete Petrowski said he is willing to be the contact point. Some suggestions were offered relative to airplanes to be raced this year. Tower Hobbies has some small warbirds that are very reasonably priced and might work well for racing. Pete said he will see if we could get some kind of group discounts on them.
- Pete Petrowski brought in his SUU 25 aerobatic plane for "show and tell".
- The April meeting will be held at the field (weather permitting).

The meeting was adjourned by motion at 7:40

Respectfully submitted by:
Ron Landram, Secretary

Approved by:
Mike Nipp, President
