

Nampa Model Aviators Meeting – November, 2015

Presidents Report:

- Mike Nipp, opened the meeting at 7:00 PM. There were 15 members present.
- **MOTION: A motion made, seconded and unanimously voted to approve the October 2015 minutes as provided by E-mail.**

Treasurers Report:

- Mike Jordan presented the Treasurers Report. The members were provided an update of the accounts.
- Members were again reminded that 2016 dues are due by December 31, 2015. If you pay by that time you will get the discounted rate of \$108.00, after midnight on the 31st the amount due is \$120.00.

Safety Report:

- Safety Officer Bruce Chandler provided the safety report. There were several crashes since the past meeting, however none presented a hazard to members or the public.
- Remember that if you have a crash outside wherein the airplane hits any part of the golf course (excluding the rough) or goes outside of the club boundaries, make sure and fill out a crash incident report. There is a drop box on the shed for these reports.

Old Business:

- At the last meeting several members asked about club hats and jackets. Jack Read has the contact of the guy who made them for us last time around. Cost is about \$40.00 for the jacket and \$10.00-\$15.00 for the hats. The final cost depends on how many we order. Contact Mike if you want to order them.
- The Christmas party will be on December 10th at the NNU Wiley center. We will serve a catered dinner starting at 6:30pm. Followed by a short meeting and the traditional give and take gift raffle. To participate bring a wrapped gift valued at between \$20 and \$25. We will draw for raffle order. Members will pick a gift and unwrap it. The next person can either pick another gift or take the gift from anyone that has picked a gift already. A gift can only be taken 3 times, after that it is locked out. The person drawing #1 will have the option of taking any gift after the auction is complete.

New Business:

- Howard Davis gave a presentation regarding the possibility of NMA holding an exhibit at Karcher Mall, during the "Cabin Fever Reliever" event. It would cost \$150.00 to participate. We would then display our models and talk to the public about our club and try to recruit new members. Open for further discussion.

- Larry Bresson did a demonstration showing members how to cut and apply covering material. Very informative. Thanks Larry.

The meeting was adjourned by motion at 8:15

Respectfully submitted by:
Ron Landram, Secretary

Approved by:
Mike Nipp, President
