Safety Report:

- Safety Officer Bruce Chandler provided the safety report. We have several new members. If you are not sure that someone flying is a member or do not recognize them, introduce yourself and verify that they are one of the new members. Also if you are flying with a guest as part of their introductory non-member flights be sure and verify their AMA membership and do not leave without having them leave also. Do not leave a non-member guest to fly alone.

Old Business:

- The show at the Kartcher Mall was a big success, special thanks to all who came out and helped.
- Mike Nipp has stepped in to contact potential vendors for the Warbirds event and has already garnered some positive responses.
- Tom Cole gave a summary of the BARKS auction, there were many bargains to be had.

New Business:

- Ridgeview High School has adopted the P-40 Warhawk as their mascot. They want to build a model P-40 for display and asked for some help. Larry Bresson said he would consider it.
- The club's Gold Leader Club status has been awarded for another year. This puts us in the top 10% of all AMA chartered clubs in the category of public service, safety, field condition and club management.

- Anyone who has paid both their AMA and Nampa Model Aviators dues and does not yet have their membership card can find them in the frequency box at the field. Please stop by and pick yours up.
