

## **Nampa Model Aviators Meeting – May 5, 2016**

**Presidents Report:** Following a burgers and dogs barbeque, Club President Mike Nipp opened the May 2016 NMA Meeting at 7:10. There were 19 members present.

Mike introduced new member David Laycock. This brings our 2016 membership to 70 totals to 67 paid and 3 family members.

- Mike asked the members if they had registered with the FAA and affixed the registration number to their aircraft. Currently the AMA has not mandated this for members or clubs and so Nampa Model Aviators will not require it as a prerequisite for flying. Keep in mind; however, this is a Federal requirement with severe penalties for non-compliance.
- **MOTION:** A motion made, seconded and unanimously voted to approve the April 2016 minutes as provided by Email.

## **Treasurers Report:**

- Mike Nipp provided the treasurers report. As agreed by an approved motion by the members, the club purchased a second lawn mower. Two members can easily mow the lawn in less than one and a half hours.

## **Safety Report:**

- Safety Officer Bruce Chandler has completed the new members info packet which includes the club safety rules as well as a map showing the field boundaries. Each new member will be given one.

## **Old Business:**

- Dennis Kirouac went over the watering times schedule. It is programmed so as not to inconvenience any early morning or late evening flyers.
- Members are again reminded to lock the gate if they are the last to leave the field and remember to roll out the combination. The gate was found unlocked on a couple of occasions.

## **New Business:**

- The annual Fun Fly is Saturday, June 4<sup>th</sup>. The members were asked if they wanted to have any special events or contests and the consensus was to hold a limbo contest as we did last year.
- Sandy Rock and Action Hobbies has agreed to sponsor event T-shirts for the Warbirds event on the 10<sup>th</sup> and 11<sup>th</sup> of September. These will be free to members and guests attending the event. Those attending will have to notify Mike Nipp well in advance of their intentions to go and the size of their shirt. Mike will send out reminders later.

The next NMA meeting will be Thursday June 2nd, 2016 at 7:00 p.m. club flying field.

The meeting was adjourned by motion at 8:10.

Respectfully submitted by:  
Ron Landram, Secretary

Approved by:  
Mike Nipp, President
