

Nampa Model Aviators Meeting – July 7, 2016

Presidents Report: Following a brats and dogs barbeque very well prepared by Master Chef Mark Bell, Club President Mike Nipp opened the July 2016 NMA Meeting at 7:06. There were 20 members present.

- **MOTION:** A motion made, seconded and unanimously voted to approve the June 2016 minutes as provided by Email.

Treasurers Report:

- Mike Jordan provided the treasurers report. Mike went over some of the recent expenses including our electric usage bill. We are in excellent shape to finish off the year relative to operating expenses. Mike gave the members a summary of both accounts.

Safety Report: Safety Officer Bruce Chandler provided the safety report. Drew Mason was awarded the monthly crash and crunch award for his one point, high speed, landing, re-kitting of his Sukoi. Ron Landram presented Bruce Chandler with a commorative t-shirt for his recent double reverse with 2 and ½ twists dive from his tree. Bruce scored a 9.8 for the dive but will be on the injured reserve list for a few weeks. Get well soon Bruce.

Old Business:

- Ron Landram reminded the members of the upcoming Jets n Breakfast event August 13th. Entry fee is a breakfast item, eggs, sausage, pancake mix, etc. This is a very popular event and we expect a great turnout. The event will start with breakfast a 7:00 a.m. and will conclude around 11 a.m.
- Larry Bresson brought in his Donier DO 335 for “show and tell”. The full size model set many speed records after the war but did not see much action for the Luftwaffe. Larry’s’ model looks and fly’s very well.

The next NMA meeting will be Thursday August 4, 2016 at 7:00 p.m. club flying field.

The meeting was adjourned by motion at 8:20.

Respectfully submitted by:
Ron Landram, Secretary
