

## Nampa Model Aviators Meeting August 3, 2017

- NMA President Dennis Kirouac opened the meeting a 7:00 p.m. There were 15 members present.
- **MOTION:** A motion made, seconded and unanimously voted to approve the July minutes as provided by Email.

### Treasurers Report:

- Mike Nipp provided the Treasurers Report. A rundown of both accounts was presented. Because of the savings we have made by mowing the grass in-house the accounts are starting to grow. We expect to have sufficient funds to complete the seasonal expenses and to add even more funds to our accounts.

### Safety Report:

- Safety Officer Bruce Chandler provided the safety report. Bruce commented that it is the responsibility of every member to keep flying safe and enjoyable. The city of Nampa generously leases the facility at a very low rate and have been excellent landlords, however, if we seriously injure a member or someone from the public as a result of a careless flying act that partnership might be in jeopardy. When a member or one of the club officers reminds you about a rule or potential safety problem, please do not react with anger. The Secretary was asked to attach a copy of the safety rules to these minutes and everyone is asked to review and adhere to them. Nuff said.

### Old Business:

- The Jets N Breakfast was a success. Lots of food eaten and lots of jet flights in perfect weather.
- The Warbirds over Nampa event will be September 9<sup>th</sup> at 8:00 a.m. Action Hobbies has donated an airplane and some other goodies for the raffle. We have also received items from Venom Batteries and several other vendors. Members are also encouraged to donate planes from their collections for the drawings. There will also be awards for Best Overall Airplane, Best Multi Engine and other categories.

The meeting was adjourned by motion at 8:15 p.m.

Respectfully submitted by:  
Ron Landram, Secretary
