

## **Nampa Model Aviators Annual Meeting March 2, 2017**

**Presidents Report:** Club President Dennis Kirouac opened the March 2017 NMA Meeting at 7:00. There were 22 members present.

- Currently we have 67 members of which 4 are non-paid family members.
- **MOTION:** A motion made, seconded and unanimously voted to approve the February minutes as provided by Email.

### **Treasurers Report:**

- Mike Nipp provided the Treasurers Report. Mike gave the members a breakdown of both the checking and saving accounts as well as projected expenses. We are in excellent financial shape and are expected to easily meet our 2017 expenses.

### **Safety Report:**

- Safety Officer Bruce Chandler provided the safety report. Jack Read gave a short talk about prop safety. Jack reminded the members to exercise extreme care when adjusting a running fuel engine or even spinning the prop with an electric starter.

### **Old Business:**

- We have encountered some difficulty securing the hangar for our annual swap meet. The members decided to move date for the swap meet to May 20<sup>th</sup> and to hold the event at the flying site.
- Members were reminded that the spring cleanup would be Saturday March 18 at 10:00 a.m.

### **New Business:**

- In past years all AMA memberships expired on the 31<sup>st</sup> of December. AMA now renews memberships on the last day of each month one year from the joining date. This presents a problem for the club secretary in that he must check each month to ensure that club members are current. Secretary Ron Landram asked the members to please renew their membership on or ahead of the termination date. Doing so will make AMA memberships much easier to track. Remember if your AMA membership expires you cannot fly at the field. There is no grace period.
- Tom Cole reminded the members that float plane flying takes place each Thursday at Sawyers Pond in Emmett. Everyone is welcome to come out and fly or watch.

The meeting was adjourned by motion at 8:05

Respectfully submitted by:  
Ron Landram, Secretary

Approved by:  
Dennis Kirouac, President
